

EXPO

GLOBAL CITY
TEAMS CHALLENGE

Walter E. Washington
DC Convention Center
August 28-29, 2017

The largest Smart City/Community and Internet of Things Event hosted by the US Federal Government

The 2017 Global City Teams Challenge (GCTC) Expo will bring together over 100 cities and communities from around the world in partnership with more than 300 companies, universities, non-profits, and federal agencies to share and exhibit smart city and Internet of Things projects and the impacts on their communities.

- ☀ *Interact with US Federal government agencies*
- ☀ *Hear new perspectives from Mayor and County Executive keynotes and panels*
- ☀ *View presentations and exhibits from 5 Super Clusters and over 90 Action Clusters representing projects from around the world*
- ☀ *Visit with 300+ companies, universities, and non-profits*
- ☀ *Join over 1500 attendees*
