

WeGO Smart City Driver Workshop I: Submit your project through the Activator

A selection of local government members will demonstrate hands-on how to submit projects for the Solution Finder and the Project Implementer, with a live walkthrough from the Secretariat. Join to understand how to input your own city's data in a way that elevates your chances of identifying appropriate solutions and establishing a competitive proposal for funding and support from WeGO.

- **Date:** August 27, 17:00-18:20 (KST, 1 hour 20 minutes)
- **Speakers**
 - a. WeGO
 - b. Cauayan City, Philippines: Mayor Bernard Faustino La Madrid Dy
 - c. Kampala Capital City Authority, Uganda: Martin Ssekajja, Head of Information Technology
